May 18th approved as read 6-1

Donna abstained

July 7th approved as read 5-2

Brad and Paul abstained

August 4th approved as read 6-1

Paul abstained

Policies and Procedures were given to members at the meeting to take home and read.

Paul Morin spoke on the CIP (Capital Improvement Plans). Jon mentioned that the selectmen would have the final say. Examples were given like new equipment and a new studio.

The A/C broke in the Cable room upstairs of the Town Office. The A/C was replaced with a new one.

An answering machine has been hooked up, so the citizens of the town can call if they are having technical problems with channel 6, to help Comcast find where the problems are in town. The number is – 529-7527.

The Playground program came on late because there were problems with the computer. Will asked how people felt about the playground video. Jon responded that he thought the quality was good. Will felt that there are needs of training with the camera, that there was too much panning. Jon responded that there was no need of training, suggestions could be made. Derek thought the finish product of the video was good...

Heleen gave Will's wife a call to see how the audio and video was on channel 6. Linda reported that the sound was bad.

Message board- Donna thanked Heleen for doing a good job.

Donna will try to find the number for Malloy from Manchester to see if they work on installing equipment and also contact Peter from Great Northern Video for an estimate.

The committee got \$8,000.00 from Comcast and has a total of \$13,491 CRF.

Brad moved to make a motion to pay for the plaque for \$19.95, Paul 2nd the motion passed. To be paid out of the budget line 01-4157.10-690.

Heleen wanted direction to know what to do with the equipment in the cable room so that it can get cleaned. Jon said to throw stuff away if it couldn't be used.

There will be a work detail September 8, at 3:00P.

Will said he will contact John Mc. To see if he wants any VCR's that he programmed live.

Derek spoke on the new school that there will be TV's in every room and a camera in the new gym. TV's will be played on channel 1 with 15 minutes advertising.

Cable would like to purchase a DVD to program- recorder –to hard drive.

Jon moved to make a motion for Will to contact Walter to get a price and model for a DVD programmer. And Walter to program the hard drive recorder and DVD. Programs could be and auto mated the Chairman will go to the selectmen at their next meeting.

Chairman will be gone out of town so Paul – Vice Chair will go to the selectmen's meeting.

Money will come out of Capital Reserve Fund.

Jon moved to make a motion to purchase 3 tilt remote cameras for the Cable room. Will 2nd. The motions passed 7-0-0.

Donna brought up that the budget needed to get done for this year. Jon asked if we could wait to see if the selectman would pass the equipment that would like to purchase first. Also went over the membership list with everyone to make sure it was correct.

Jon announced that he will produce a show on current events. Program ON TARGET.

Next meeting is October 6, Th.

Brad made a motion to Adjourn 8:45P, Paul 2nd motion passed.
